NARRATIVE:

Euland Greer has an extensive adult criminal history that began at the age of 20. His convictions include lewd or lascivious acts, multiple cases of burglary, multiple cases of failing to register as a sex offender, grand theft of property, grand theft of person, possession of narcotic controlled substances, unauthorized use of a vehicle, DUI and joyriding. He has served multiple state prison terms, the longest being a 4 year term for grand theft of person. Greer was released from state prison to the supervision of the Los Angeles County Probation Department on April 7, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2016 after he absconded from post release community supervision (PRCS). Greer qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of narcotic controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
